Dear Indian Oasis Middle & High School Families and Students:

I am very excited and honored to be the Principal at IOMHS. I would like to take this opportunity to share my excitement about returning to the home of the Mighty Turtles. This is my second year in Baboquivari Unified School District. In this short time with BUSD40, it has been made clear to me that student growth and achievement is our number one responsibility. We at IOMHS understand the importance of lifelong learning and we wholeheartedly accept the responsibility to educate the whole student to ensure future success and happiness.

Indian Oasis Middle & High School has a reputation of excellence and a strong culture that focuses on student learning, commitment to high expectations, collaboration, and social responsibility. I am very honored to have a dedicated team of professionals who work diligently to ensure our children are equipped with the skills and knowledge necessary for a lifetime of prosperity and health.

For those who are new to our school, I want to welcome you, and you are now a Turtle. Know my door is always open and I am here to support all our students and their families.

We have incredible students and dedicated parents, guardians and family members who volunteer countless hours to provide support to our staff and children. We each have a significant role in our children's education and social development. I look forward to continued collaboration.

It is my honor to serve the Indian Oasis Middle & High school community and I am confident that our partnership will only improve our students' academic success as we embark on this new school year.

Respectfully,

Mr. Barrett Fox - IOMHS Principal
