

Greetings Turtles,

Welcome to the 2023-2024 school year. I hope that you had a restful summer and stayed active in Edgenuity. We are excited about all that this new school year has to offer and look forward to working with our students and families as we focus on continuous improvement in teaching and learning, and all areas of our school environment and personal growth over the next school year.

This year we will renew our commitment to excellence in all that we do, with a resolute expectation that all students can learn and succeed. We will continue to provide students with opportunities to address academic deficiencies, to build numeracy and literacy skills, to make up for missing credits, to be college or work force prepared, and to have the opportunity to participate in advanced academic classes. We will continue to implement initiatives to promote teaching and learning, and to engage all our stakeholders in the process of educating our students. The Indian Oasis Middle & High School family will commit to continuous improvement in all aspects of our educational community. We will continue to focus on efforts to improve student literacy. Improvements in literacy will positively impact student performance in every content area, and in their overall academic growth and development. We look forward to partnering with our stakeholders in these initiatives.

I am excited about all that this new school year has to offer and look forward to working collectively as a family to ensure that our students are provided with the best educational experience possible to be critical thinkers, responsible citizens, and prepared to be successful in their endeavors after high school. It is going to be an amazing year!!

Sincerely, Mr. Barrett Fox Principal
