TOHONO O'ODHAM NATION

COMMUNITY RESOURCE DIRECTORY

(2019 Revision)

The Tohono O'odham Nation Community Resource Directory is a guide to services provided for Tohono O'odham Nation community members. The Directory will also benefit health care providers in coordinating services for patients/clients. It is our intention to keep an up-to-date, relevant listing of services. If edits need to be made, or if your organization would like to be added in the next update, please complete the Community Resource Directory Template form located at the end of this directory.

This directory has been an effort of many partners and collaborators, including:

Tohono O'odham Department of Health and Human Services - Management of Health
The Prevention, Intervention, Treatment and Follow-up (PIT-F) Committee
Baboquivari School District #40 – C20 Committee
Tohono O'odham Nation Health Care Diabetes Prevention Program
Arizona Complete Health (formerly Cenpatico)
Tohono O'odham Behavioral Health Suicide Prevention Native Connection Program
The Healthy O'odham Promotion Program (HOPP)

Special acknowledgment of those that have contributed to the hours of coordinating, gathering information, typing, formatting and revising this Directory: **Sharlene Segundo & David Randall** (BUSD#40); **Sheina Yellowhair & Julia Chavez** (Arizona Complete Health); **Monica Lopez** (Tohono O'odham Nation Health Care Diabetes Prevention Program); **Candace Campus** and **Linda Fayuant** (TOBH Native Connections Program)

*A heartfelt THANK YOU to **Christopher Juan**, the Healthy O'odham Promotion Program (HOPP) Graphic Artist, for his technical expertise and artistic guidance, and the **PIT-F Committee** for their creative concepts, in creating the FRONT COVER of the Community Resource Directory.*

Monday – Friday 8:00 AM to 4:30 PM

Services: For Veterans Only. Home Based Primary Care is for Veteran with complex health care issues who find it difficult to get out of the home or are home-bound. This may be due to a disability, dementia, or other chronic disease. In this program a team of health professions come into the home to provide services. This includes an RN Case Manager, Primary Care Provider, Occupational Therapist, Social Worker and Dietitian. All see the Veteran for initial assessments and then as needed. The Nurse will see the Veteran every 6-8 weeks and then as needed for other emerging issues. If the Veteran needs daily or weekly visits then they should be provided to a home health agency rather than this program.
