### VISION:

Our students will be loved, encouraged, and prepared to take on the world, by embracing our Himdag.

### MISSION:

We create Healthy  
Inspiring, Motivating  
Developing Achieving  
Graduates.

### OUR PURPOSE

We create a nurturing learning environment for every child, everyday; with an additional commitment to support our Himdag.

S-ke:g Tas IOMHS Students and families,

Welcome back! This year we are excited to offer you the opportunity to return to school by implementing a hybrid model. We are sad that we are not able to have all students in person at this time. However, we are hopeful that COVID-19 will diminish to the point where we can have all students back in the school later this year but in the meantime we are super excited to see some of you return to in person learning while others will remain virtual. We will have to groups of students working within the hybrid model. Please make sure that you have chosen the best option for you by calling the office and speaking to office manager Heather Lafferty.

**Group A** students will return to in person learning (Mon-Thurs; Fri virtual)

**Group B** students will continue virtual learning (Mon-Fri)

We will begin the school year on a new campus located in the 900 classrooms of the Intermediate school. School starts on July 19, 2021. For the first week of school, all students will be on a virtual schedule working from home. This school year will undoubtedly be different, as we begin transitioning to a new campus and adapt to the new schedule that includes both in person and virtual learning. Our main method of communication will be teachers to parents. Teachers will contact parents/students via email, phone, an or text messaging. Information will also be posted on teacher Google classrooms site. Please make sure we have updated contact information to ensure that you receive all student information quickly and efficiently.

Our main goal as always, is to educate students and support families. Please do not hesitate to contact our campus 520-719-1260 if you have any questions or concerns.

We have missed everyone and are looking forward to beginning our 2021-2022 school year. See you soon!

Respectfully,

Ann Corden

Director
